Hongkong, September 12th, 1893,

Quite a storm in a teacup has been raging in Australia with reference to Chinese ing the landing of Chinese in Australia had cial grounds, for they encourage a vicious worked perfectly, from their framers' point habit, constitute a danger to health, and of view, and that the influx of the "Yellow prejudice the opium revenue. But how the Terror" had been effectively stopped, idea of interfering with the sale South Australia has taken alarm, however, popular medicines containing morphine at the discovery that there is a leakage came to be incorporated in the Bill from the crews of vessels arriving from is difficult to understand, for even a child China to the extent of 700 a year. It might must see the absurdity of making have been thought that this number was illegal to buy twen y five cents' worth not much to make a fuse about, but it has of paregoric without first going to led to formal correspondence between the doctor and paying five dollars for a pre-Premiers of the respective colonies and in scription. It is equally absurd to make the tisuce, sent on the 31st a bailiff to the house and one case the correspondence has taken rather possession of a hypodermic syrings a criminal distrained the hous: property. He put as usual an angry turn. The initiative in the mat- offence, for these articles are used for the inter was assumed by South Australia. Mr. jection of many remedies besides morphine, Japan Gazette, there were altogether in the male Kingston, the Premier, seems by some and are likewise used for such barmless pur. and female bathrooms fifteen customers, and means to have arrived at the conclusion poses as the preservation of butterflies, birds, when they saw the baileff about to seal up the that New South Wales was the Colony etc. A more glaring instance of attempting looks containing their cothes. They all came through which the leakage took place. The to legislate in total ignorance of the subject up to the bailiff, the men in a passion and the mischief, he says, arises through Chinese to which the proposed legislation is intended held out, but at last the fifteen specimens of teamen being allowed to be discharged at to refer would be difficult to find. For- und hamanity were too much for him, and he Sydney without payment of the polltax or tunately the mistake has in this instance regard to the tonnage limitation, and he been pointed out in time, so that no great parture, which they did quickly enough. reminds Sir George Dines, the Premier of harm has been done. N. w South Wales, that, five years ago, an understanding was arrived at that New! South Wales should be brought into strict harmony with the other colonies on the question, but that nothing has been done to redeem these promises, and the present difficulty is the result. Mr. Kingston continues ; "If you consider your Act as sufficient, will "you kindly administer it accordingly? If not, this affords an additional reason for arrived at Yokohams, and leaves for this port the request which we feel bound to res-"pecifully repeat that New South Wales "will discharge her long-standing obligation " to assimilate her Chinese legislation to "that agreed to at the Sydney conference." All this was conveyed by telegram. Sir George Dibbs, speaking to a Press representative, characterised it as a grossly im- sailed from Yokohams on the 10th inst. on her pertinent telegram and not correct in fact, the | voyage to Victoria, B.C. and Tacoma, Wash. law in New South Wales having been founded on the recommendations of the Sydney conference and faithfully administered. Mr. reporter, to whom he said that he could but the Viceroy pretends that he can do withhardly believe Sir GEORGE DIBBS had been correctly reported, but that he had instead of 45 as offered last year a cheap rate. no present intention of saying anything no doubt, considering that the Chinese lawful which would prevent the New South Wales Premier's early recovery to the equanimity necessary to the due appreciation of the requirements of intercolonial courtesy.

likely to take place in other Colonies, inch. much as in New South Wales, besides the

restriction of one passenger to each 300 tous. no immigrant could possibly be landed with. out paying a poll-tax of £100, whereas in South Australia or Victoria there is no poll tax and the restriction is one Chineso passenger to each 500 tons, so that Chinamen arriving off the coast of Australia, whether as able-bodied seamen or in 1393 any other capacity, might be distributed in quite a legitimate way around many of the Colonies. Into South Australia, for example, or Victoria, they might outer within the proportion of say four at a time by a and Shanghai. steamer of two thousand tons-a process which, if occurring two or three times : week, might account for a leakage greater even than the seven hundred a year

complained of by Mr. KINGSTON. But, as our contemporary very pertinently asks, is it worth while creating such a noise over what at the worst is but a comparatively trivial thing? A real influx of Chinamen is not likely to come by "leakage," and our contemporary points out that notwithstanding everything the number of Chinamen in procured for an equivalent price having regard in English and Chiness, and when ordering it is the colonies is steadily decreasing. In the quite suffi i at to only state the numbers of the year succeeding the legislation of 1888 as many as a hundred and thirty Chin so left the colony of New South Wales, for every one that entered it. The year following forty-two times as many, and the year after at present approaching the South-sast coust of that thirty-four times as many, left for China as those who entered the colony, and the efflux is still steadily proceeding. And t is the same in all the colonies. The last census showed that there were only 41,534 Chinese in the seven colonies of Australasia. o'clock :-That number was less by 2.172 than ten Overture "Pretender." Kuken. Song "The Soul's Awakening" G. P. Hadd tok. force in the latter half of the decade. Atsuming that it is all true that seven bundred a year find an entrance into the colonies in the manner stated, they represent but a The best and cheapest machines in the market. fraction of the number of those leaving the

South Australia, however, is determined to have none of the leakage, or to make 'a show of having none, and according to latest advices the Government was about to bring into operation clause 6 of the Chinese Restriction Act of 1888, providing that any The work is alike interesting to the student Chinaman entering the colony overland without a permit shall be liable on conviction to a penalty in addition to his being deported to the colony whence he came. The Act was also to be more strictly administered by the Customs, who were to follow it out to George, when the Queen conferred upon him the letter, so that a steamer under 1,500 tons register calling at Port Darwin will not be able to carry more than two Chi- his dignity in the Order. Chinese naturalised in South Australia or holding exemption certificates issued South Australia. Even the Port Darwin paper, that mysterious land. As she found that the usually rabidly anti-Chinese, kicks at this medicine and associate the English with skill in and speaks of the Act as absurdly strict. No allowance of any kind is made for immigrants who have become naturalised in [19 any other part of the continent but South Australia, and a Chinaman may be a lawfully naturalised citizen of Sydney, Brisbane, or a family. Owing to the nomudio character of Melbourne, and still be ineligible to call at the people, there is seldom more than one bus-Port Darwin, even as a through passenger, on a ship arriving from China! Our contemporary appropriately asks, could say thing be more absurd in the way of fraternal intercolonial legislation?

OUR PARIS LETTER.

PARIS 12th August. The electoral campaign is warming up; at Ploian, a republican voter has been killed; he w s a non-possumist, would not hurrah for either church or king, so he was definitely "removed" from the roll of voter. Paul de Cassagnac, on that line. At Père Luchaise, nothing can like all the "old parliamentary hands," has to be done to its tunnel; it runs undermeath sepaldefend his sent by the skin of his testa. Allod chres, whose sites have been bought for ever ing to his opponent, he "rallied" him on his go and ever. Perhaps in two centuries hence, if ing to confession every day; that was an im- the millennium does not arrive in the interval, perative duty, as he required absolution for his Parliament might interfere. Baron l'aussmann daily fresh lies and iniquities, but he feared it was beyond the power of the Church-de Cassagnan himself is a son of the Church "but not a republican like the Pope"-to convert him into a vessel of grace. In Paris the Abbé Garnier is riage works of the Great Western Railway Co. candidate for the Cligan Court electoral dis. A technical journal nagged him for several triet, a more stirring bothed of advanced po- months; the attacks preyed on his mind, and lities than Believille, which has, relatively, de. finally drove him to commit spicide, Happily generated in fessilized Tongison. The Abbé was politicious have more ironelad skins. Cornet's invited to come and expound his programme, in widow took as action for 50,000 fr. damages the "Maison du Pauple," or "Anarchist's Hall," against the railway journal, for causing her

The interior of the building is as plain as art ou'd make it; but the anarchists, being pledged to destroy everything, have no interest in architectar, or the erection of anything permanent. The walls are decorated with red cotton flags and prints of celebrities of the commune. Of course the bust of the republic is discarded. that of Marat, as large almost as the head of "Liberty's" enlightening the world, rests on a pillar, descrated with laural wreaths, and a red searf round the neck (the place is full of ourrents of air). On the pillar or post are choice extracts from the gospel according to Marat, the the night: the judges are charged with going one especially where he exacts a quarter of a mil. | seleep, and the jury with enering. lion of heads of royalists to secure the tranamillity of France, Charlotte Corday opposed his demand. You feel as comfortable near he bast and pillar, in a word the sensation of " creepiness," as if leaning against the uprights of the

Donglas in his hell."

The Abbe, surrounded by his bodygnard, ascends the rostram. Imagine the effect of his olerical costume. The building is within stone's throw of the rue Haze, where the communists | telegrams are from our exchanges :executed eleven priests and 47 gendarmes in THE AUSTRALIAN CRICKETERS IN ENGLAND-1871. The Abbe bows to his audience, requests to be sent to the Chamber of Deputies, to advocate Christian socialism. "Down with the Pope !" exclaimed a pure Red. unable to keep the commenced to-day, on the Kennington Oval. high pressure longer on his feelings. The Abbe | The weather was splendid. An excellent wicket gave the adder's par to the interruption, and had been pitched, and the ground was in firstproceeded to a comparison of prices that ruled at | rate order. present as compared with those at the commencement of the century. Prices of whatthe four pound loaf, or butcher's meat ! No, but H. Lockwood (Surrey), A. Mold (Lancashire), of education. The aparchists laughed-what J. Briggs (Laucashire), M'Gregor (Cambridge they rarely do, and begged him to come down University), A. E. Steddert (Middleser), A. and take himself off. The republic says our Ward (ancashi e), F. S. Jackson (Cambridge schools are secular; the Abbe wants to University), A. Shrewsbury (Notts), W. Gunn "gospelize" them. He came down; with (Notts) and W. W. Head (urrey). difficulty he gained the street, pursued and Australia: J. J. Lyons, G. Giffen, A. C. booted with a strange mixture of cries: "Down Bannerman, G. H. S. Trott, R. WL od, S. Gre. with the Jesnits!" "Long live the. Pope;" "Vive Rayschol;" and hurrans for the free ma- H. Trumble, and J. M. Blackbam. sons. The Abbé incked up his soutane and jump. Neither

enough as the member for the Chamber of Com- to comedy; his friends pulled him out hought a merce and the representative at the Council of passage for him, and the police arriving made the nommercial and trading interests of this an opening at the other end of the crowd and led free port to sak at the next meeting of the the Abbe to the railway station, and so into Piris. Logislative Council that copies of all the letters | Excepting a source and a shaking, the Abbé only on the subject of morphies and its preparations, lost his shovel hat; this was weapped up in antheir sale and administration, which passed archist journals, and sent to him by the precel's

Clemenosan has fellen on evil days. The nor-

bination to ornsh him is very powerful, and if he

loses his seat in the Var, his owner is ended, By demolishing Clemendean, the extreme republions party will be decapitated, for miled republicanism is finished, unless the dissidents can agree to commantrate round their own school, and not another's. But it must not be oppolated from this that the Republic must go. It remins a fixure because there is nothing to re clace it; it wants a new lead, and new leaders; my with courage to renounce clantrap, political dust throwing in the eyes, and to submit practical reforms. never fainting by the way, to defaud them with carapetness and toleration. To rebut the charges of having receive I millions of Pananamoney from Cornelins Herr, and from England for securing her Egypt, Clemenseau detailed the history of his ways and means -a real struggle for life against poverty and privationto his constituents. No impartial mind believer the charges, but not the less they are being used as sticks by his advorsaries to whack him to leath. The royalists degert him because he is a free mison, a free-thinker, and a free lance against the church. The Opportunists do not pardon him for bonn ling Jules Ferry to the grave, and halping to do the same for Gambetta, while the Bulangists would oar him-and are doing so-limb from limb, for slaying after oresting their bran general. Chen be has no political programme for the eation to bite at. The soparation of Church from State is impossible so long as the women of Franco remain dead against it; the " Meg slowmists" have swamped his anti-colonislism, and neither he ner anybody else can propound a sodelist papades.

Doss Cornelius Herz oxist, is the question now debated. Professor Charoot has been interviewed to stand and deliver his reasons for conlaling that it was really Here he saw at Bournemonth, when officially delegated to exmine the patient. The English are capable of vains behind but a few fire works to extinguish. Four persons not molels of importance, the Marquis do Morés. &o. having stated that the Minister of Pereign Affeirs held the proofs that oma French journals were subsidized by foreign Governments-Hagfund connot be suspected, for not a newspaper in the country would bestow a "God bless her" if she sneezel-the Press Associations, in their united capacity, call upon the Minister either to prove or retract. There is no more allusion to Siam than if she had not been blooked d and muloted in cash and territory. The Prench are waiting for the English B'ne Book, that is expected to map out the buffer state that England exects on the Oppor Mekong. The matter may be left to the boundary commissioners. Now that the hurlybarly of the Siam imbroglio is over the Freuch take a survey of the situation. They seem to mono'nde that English opinion has gone over to Garmany, and intends to work in with him in the Far East. Making the Flowery Lind a monster buffer state is viewed as an audicious

While Bahangin keeps on the gravilla war path, the French soldiers have discovered now foes in Dahomey. When bathing in the agoons, some soldiers have been taken prismers by procediles, and on the sea shore, sharks have also carried off some braves. And while on warring matters, the Temps laments the systematic frequency of the gunboats in the reserve having to undergo repairs of muchinery when emas ed to be put into omnission. The same i mrnal was struck with the andapious eagarn as of the officers of the Maglish navy for real fighting turing the successful simulated war between the Red and Blue squidrous. The Labour Exchange has, by the late trial of its illegally constituted syndicates, virtually

ceased to exist. Sixty-seven bistard trades unions have been dissolved as anlawful assemblies, and a nominal fine of 16ir, imposed on each. The moral of the matter is, Workmen's Syndicates ought to abstain from politics. As to what the Government may lo with the palatial exchange structure, will lapsed on the result of the general elections. The authorities will mover band it avec announcedly to be managed by the unions; the experiment has proved a failure. As to the expelled forming an ind-pendent central . fine of their own, Column shows conclusively the absurdity of established a service between China, Japan, and these Hongkong is doomed. It will not be distributed by a great attack of palace. The spirit of unionism does not appear. Paget Sound Ports via Victoria, British Colum. troyed by a great catachysm, but by slow and to morp ine injection dens to bear in mind that not bound to consider whether the sale of more in bearing mind that not bound to consider whether the sale of more in bearing mind that not bound among the criptions were not forth-oming. The non-payment of subscriptions is the touchstone, the plebisoite of the ntility of every association. " Light: more light," in railway tunn-ls, is the cry of the travelling public since the late scoident under the Pe's Lichnise cometery tuonel. The Great Western Rullway Co. is about superseding its life and doubt tunnel, which opens its black and repulsive for rorifices, almost at starting point of the St. Laz we formings. It may be safely said that a Fronch woman would no more omit making the sign of the cross on entering this tunnel than she would in presence of a passing funeral. The tunnel is to disapp ar; all will be onen overhead. The wonder is the hole of the Shadow of Death was allowed to continue so long, when the cost of the transformation was so relatively small Insurance companies must now make a reduction in premiums to all subscription travellers

-stimat-d that in the case of the interred, the "eternal regrets" of their sorrowing survivors do not last longer than thirty five years. M. Cornet was the chief manager of the car-
